

About Us

We have been serving the fishing industry since 1980. Our number one priority is service and quality. Items that you may need but do not find in our online catalog can be built in less than 48 hours. From small orders to full trailer loads, orders are shipped in a timely manner. There are no mold setup fees and we value each and every customer. If you are seeking to establish a business relationship with us please call, fax, or email us your needs for a price quote. The fishing industry is brighter than ever and we are here to serve you!
